**REGISTRATION:** A \$50.00 deposit for each class will hold and guarantee your place in a course. This \$50.00 deposit must be received and a financing plan chosen in order to be officially signed up for the class. If the course is already full, you will be immediately placed on a wait list on a first come-basis with a deposit. CIMT will notify you and hold your payment in the event that a space in a class becomes available. If a space in a class does not become available, your deposit will be refunded or funds transferred to another class at your request. The class must have a minimum for 18 participants to begin and continue throughout the length of the course. The class will be postponed or cancelled if the minimum of 18 participants is not reached 4 weeks prior to the start date. All participants will be notified if the class has been postponed or cancelled and their deposit and payment will be refunded in full.

**REFUND POLICY:** If you cancel your reservation for any reason, a refund of the full tuition less \$50.00 will be made as long as written notification is received more than two weeks before the first day of the course. If you cancel your reservation less than two weeks before the first day of the course, you may request a credit for the full amount less \$50.00 to be applied to a future CIMT continuing education course. Credit must be used within one year of cancellation. **Failure to attend the course, withdrawl after attending any part of a course, or attending a course and not completing course requirements, will be non-refundable. You must attend the workshop in full in order to receive credit for CEU's.**

**PLEASE NOTE:** CIMT reserves the right to cancel a workshop any time, in which case a full refund will be made.
